Welcome to Belgium !

The Belgian Teqball Federation is delighted to be hosting its first international competition. We look forward to welcoming you to our facilities to share a good time around our common passion.

At the same dates and during the same venue, we will be hosting two different and distinct competitions: the Belgium International Teqball Open and the first round of the CETEQ Nations League. There will be 7 categories represented during the open tournament which means that we have to limit registrations for each categories. So It will be important to register as soon as the opening of the subscription will be operational.

In advance, we wish you all the best and hope to see you soon in Belgium.
